## High Holiday 5785/2024

### Non-Member Reservation Form

---

This year, we won't be sending out physical tickets. Instead, your name will be added to our guest reservation list. Each reservation allows one person to attend any or all our High Holiday services, depending on the ticket purchased. Children under 13 are free. If you can only attend Rosh Hashanah or Yom Kippur, the ticket price will be half. Please designate which service you will be attending. Should you choose to join Congregation Beth Shalom by December 31, 2024, the price of your reservation will be applied toward your first-year dues.
